INDRAPAL SINGH JATAV
Sr. UI/UX DESIGNER

ABOUT ME

I have 4 years of experience in UI/UX Designer. I am always looking for self-improvement with new possibilities. In rapid and structured progression in the management of my work perseverance and leadership is the primary reason. My design style is clean, professional, and quick.

Every unique creation starts from imagination, followed by dedication. I worked in a challenging environment with honesty and commitment with a determination to apply my knowledge, skills and experience, and professional aptitudes for the organization's success.
